TO WHOM IT MAY CONCERN AND ALL INTERESTED PARTIES:

OZAUKEE COUNTY SOLAR INSTALLATION PUBLIC INFORMATIONAL MEETING

The Ozaukee County Energy Action Committee, the Ozaukee County Department of Administration and Planning and Parks Department are sponsoring a public informational meeting to be held on **Friday, February 21, 2020 at 4:30-6:30 p.m. at the Mee-Kwon Golf Course Club House, 6333 West Bonniwell Road, Mequon.**

Ozaukee County is inviting residents, the public and interested persons to attend a public informational meeting on the proposed solar photovoltaic (PV) installation at Mee-Kwon County Park and Golf Course. You are receiving this notification as a courtesy because your property is located adjacent to the proposed project.

More specifically, the Wisconsin Electric Power Company (WEPCO), the parent company for We Energies, initiated a program in 2019 where they will install Solar PV Systems on utility customer’s roofs or property at no cost. The Ozaukee County Department of Administration (DOA) has been working with WEPCO on finding a suitable location for a Solar PV installation on Ozaukee County property. After reviewing multiple sites, WEPCO has proposed a 1.22 MW ground mounted Solar PV installation on a piece of land owned by Ozaukee County at Mee-Kwon County Park. The Solar PV System would occupy approximately 4 acres of land on the southside of Mee-Kwon County Park.

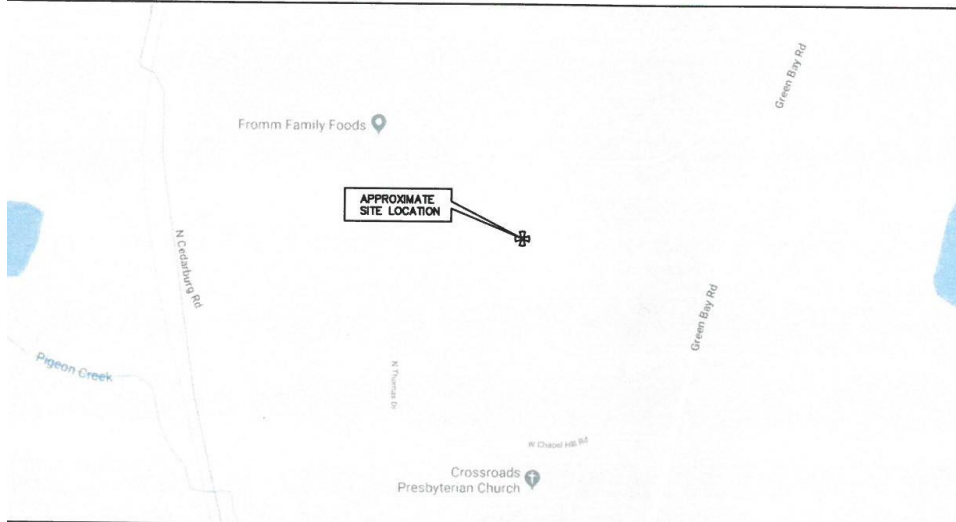

On Friday, February 21 from 4:30 p.m. to 6:30 p.m. the Ozaukee County Energy Action Committee, the Ozaukee County Department of Administration, the Planning and Parks Department and Sunvest Solar Inc. staff will be on hand in an open house format to discuss the proposed Solar PV System installation at the **Mee-kwon County Park Golf Course Club House**. Posters with the design layout, habitat restoration plan (e.g. native prairie and tree plantings), and an example of a ground mounted system will also be on display. Please bring any questions you may have, or just stop by to learn more about the proposed project. If you are unable to attend, but would like more information on the project or would like to comment, please contact either the Ozaukee County Department of Administration (jwittek@co.ozaukee.wi.us) or the Planning and Parks Department (ncotter@co.ozaukee.wi.us).

Sincerely,

Jennifer Rothstein
County Board Supervisor
Chairperson, Natural Resources Committee
Chairperson, Energy Action Committee
