Ozaukee County's contracted providers set their daily rates, which are comprised of a Room and Board rate and a Treatment rate. Program costs related to Room and Board: food, housing, utilities, etc., are the responsibility of clients. Clients are required to utilize any and all personal financial means to pay the cost of Room and Board. If a client is unable to meet the cost of Room and Board at 100%, Ozaukee County, depending upon the service provided, and in accordance with DHS Chapter 1, will use the Ozaukee County *Monthly Payment Plan Determination Form* or the *Ozaukee County Cost of Care Worksheet* to determine a monthly payment obligation by the client.

Inpatient Hospital Services Daily Rates:

Inpatient Services are provided by a number of regional private, county, and state hospital systems, who assume responsibility for billing client insurance and client collections. Ozaukee County is mandated to assume the role of "funder of last resort" when clients are emergency detained under DHS Chapter 51 and placed in Hospital Inpatient Units or one of the State Institutions. When placement to an Inpatient Unit is determined, crisis staff will collect the required documentation so that Ozaukee County Fiscal staff can determine a client's a monthly payment plan in accordance with in accordance with DHS Chapter 1. Fiscal staff will use the Ozaukee County *Monthly Payment Plan Determination Form* to determine a monthly payment obligation by the client.

CLTS/CCOP Parental Payment Liability:

Parental Cost Share/Payment Liability is determined following the development of the ISP (Individual Service Plan) in accordance with DHS Chapter 1. The payment liability considers size of family, determines daily cost of services, family adjusted gross income, and current federal poverty guidelines. Families with an adjusted gross at or above 330% of the Federal Poverty Guideline (FPG) will have a cost share.

Determined at program admission, at the annual re-determination and when there is a significant change in services on the ISP.

Birth to 3 Program:

Families may be required to share the cost of their child's Birth to 3 services. The Birth to 3 Program will calculate a family's cost share based on information provided by the family. Family income will not determine a child's eligibility for the Birth to 3 Program. The cost share is applied to the cost of the entire plan and no individual services. Evaluation, assessment, Individual Family Service Plan development and service coordination are not included in the cost share.

Determined at program admission and at the annual IFSP update.
