

2023 FREE Power of Attorney Event

**Open to Anyone 55 years and Older, and those with a Disability Determination

Meet individually with an Ozaukee County Bar Association Attorney to complete your own Power of Attorney for Health Care. Aurora Medical Center Grafton will offer the opportunity to explore the importance of Advance Directives prior to this event.

Power of Attorney documents allow **YOU** to choose the individual you would want to make decisions for you in the event that you are unable to make them for yourself. If incapacity occurs and you are without a POA, it will likely be necessary for your family or others to ask the Court to appoint a guardian—a process that can be costly, time-consuming and cumbersome.

**“Advance Care Planning: It’s About the Conversation”
